**Permit Holders: Francis House, Inc., Residential Alternatives of Illinois, Inc.**

Dear Mr. Kniery:

On May 10, 2013 the Chairman of the Illinois Health Facilities and Services Review Board approved your request for the alteration of Permit #12-014. The permit holders are approved:

- To increase the total gross square feet from 54,600 to 57,306 gross square feet or 2,706 GSF;
- To increase the total cost of the project from \$1,799,109 to \$1,889,059 or \$89,950.

The permit holders are reminded that for the final realized cost report; any amount that exceeds the altered permit amount will be considered a cost overrun without a permit. The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

If you should have any questions, please contact Mike Constantino or George Roate of my staff at our office at (217) 782-3516 (TDD # 800-547-0466 for hearing impaired only).

Sincerely,
