Subject: Completeness Review Project #12-016 Direst Dialysis

Good morning, Ms. Meehan:

My name is George Roate, I am conducting the completeness review for the above mentioned project, and found the following:

- 1) Charity Care Statement, Attachment 44: While it appears that the applicants Symphony Dialysis is a newly established entity with no history of providing charity care. As statement confirming this is still needed.
- 2) Certificate of Good Standing from Symphony Dialysis, Attachment 4: I see the letter and Articles of Organization from the Secretary of State's Office, but a Certificate of Good Standing is necessary to proceed. This Certificate of Good Standing can be obtained from the Secretary of State's Office (217) 782-6961. The Certificate of Good Standing must be less than 18 months old.
- 3) Anticipated Project Completion Date, Page 8: While this will not prevent an application from being called complete, it is required for the State Agency Report and our records.
- 4) Criterion 1110.230(a) Background of Applicant: Please review subsections 1, 2, and 3 of this section to determine required documents.
- 5) Criterion 1110.230(b) Purpose of Project: Please review subsections 1 through 6 of this section for applicable criteria.
- 6) Criterion 1110.230(c) Alternatives to Proposed Project: Please review subsections 1 through 3 for applicable criteria.

Section VI Mergers Consolidations, and Acquisitions/Changes of Ownership

- 1) Criterion 1110.240(a) Impact Statement: Please review subsections 1 through 5.
- 2) Criterion 1110.240(b) Access: Please review subsections 1 through 3.
- 3) Criterion 1110.240(c) Health Care System; Please review sections 1 through 7.
- 4) A copy of the transaction document: I found a copy of the lease, but a signed copy of the transaction is required.

Section VIII 1120 Financial Viability

- 1) Criterion 1120.120 Availability of Funds: It is seen where \$1,000,000 is listed under All Other Funds and Sources, however, the project costs and sources of funds page (application p.6), does not reflect this amount. Assuming this is the price for the transaction, it must be listed under acquisition of building and other property, and the source of funds identified.
- 2) 1120.140
 - a. Reasonableness of Financing Arrangements: Please review subsections 1 and 2, if applicable.
 - b. Conditions of Debt Financing: Please review subsections 1 through 3, if applicable.
 - d. Projected Operating Costs
 - e. Total Effect of Project on Capital Costs

I have attached a copy of the application dated May 2010 (most recent), and highlighted the above mentioned criteria. The document is in Word, and the highlights can be removed and used to complete the applicable criteria. Board Staff has until February 29, 2012 to deem the application complete. If the requested information is not received by this date, the application will be deemed incomplete. Thank you.
