RE: Provider #: 14-5766
Discontinuation of Skilled Beds

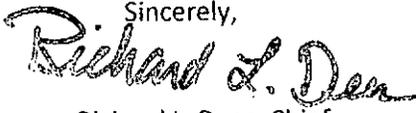

Dear Mr. Weiner:

The Illinois Department of Public Health, Long Term Care (LTC) section has been notified that the facility will be closing the Long Term Care (LTC) beds by the Health Facility Planning and Review Section. **Based on the closure of the facility, the facility is required to give residents of the Skilled Nursing unit a 30 day notice of transfer or discharge (42 CFR 483.12(a)(2)).** The facility must notify the certification section of the closure of the skilled nursing unit and the day that the last resident is discharged.

The Illinois Department of Public Health, Long Term Care (LTC) certification section will send notice to the Centers for Medicare and Medicaid Services (CMS) and the Illinois Department of Healthcare and Family Services (HFS) to terminate the facility's Provider number effective the date the last resident is discharged. Please contact Mike Constantino of the Health Facility and Review section for the discontinuing of the skilled services at 217-785-1557. Please send the written notice of closure of the skilled unit to the LTC Certification section at:

Illinois Department of Public Health
Division of Long Term Care, Quality Assurance
