HEALTH FACILITIES &  
SERVICES REVIEW BOARD

Ms. Courtney Avery, Administrator  
Illinois Health Facilities and Services Review Board  
525 West Jefferson St.  
Springfield, Illinois 62761

PERMIT: #12-018 – Pekin Memorial Hospital

Dear Ms. Avery:

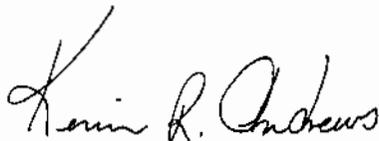

On April 17, 2012, the Illinois Health Facilities and Services Review Board approved our application to discontinue the Pekin Hospital 27 bed long term care category of service. We stopped admitting patients to the SNF Unit as of May 1, 2012 and this letter is to inform the IHFSRB the last patient cared for on the SNF has been discharged as of today, May 15, 2012.

As stated previously in the application there is no cost associated with the discontinuation of the long term care facility. We anticipate converting the space to a Medical/Surgical Unit which will increase our number of private rooms.

We believe this completes the project obligation within the Project Obligation Date of June 1, 2012.

Should you have any questions regarding the completion of this application, please contact Jo Ellen Patterson at 309-353-0728. Thank you.

Sincerely,

Kevin Andrews, CEO  
Pekin Hospital
