Re: Notification of Project Completion for USRC Villa Park, LLC (Project
Number 12-026)

Mr. Constantino:

Our firm represents USRC Villa Park, LLC (the "Applicant") in the above referenced matter. In accordance with the Health Facilities Planning Procedural Rules (77 Ill. Adm. Code 1130), Applicant respectfully submits this notification of project completion for the U.S. Renal Care Villa Park Dialysis facility, project number 12-026. Per our September 18, 2012 teleconference, the Illinois Health Facilities and Services Review Board (the "Board") accepts a project completion date determined as the date by which the first patient is treated by the facility. As such, the anticipated project completion date for the U.S. Renal Care Villa Park Dialysis facility is February 28, 2013, determined as the date by which the first patient would be treated. In compliance with the aforementioned anticipated project completion date, the U.S. Renal Care Villa Park Dialysis facility treated its first patient on February 4, 2013 and the Applicant hereby notifies the Board of project completion. The Applicant will submit a report of final realized costs within 90 days of the project completion date.

Please do not hesitate to contact me with any questions.

Sincerely,

Shawn Moon
