RE: Extension of Obligation for Project #12-027, Pontiac
Applicants: Good Samaritan - Pontiac - Good Samaritan Group

Dear Ms. Tannahill:

On December 17, 2013 the Illinois Health Facilities and Services Review Board/Chairman approved the permit holder's request for a extension of the obligation for the above-referenced project. Your extension of the obligation is in compliance with 77 IAC 1130.730 - Extension of the Obligation. The permit obligation date for Permit# 12-027 has been changed to January 23, 2015. **Failure to obligate the above permit within the required timeframe will result in the permit being null and void.**

The permit holder is reminded that the rules under which the application was approved, and the permit issued, may include limitations and assurances as to the ongoing performance of this project. Failure to comply with any ongoing performance requirements could invalidate the permit and expose the permit holder to any fines, penalties, or other sanctions provided by the Board's Act and Rules.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

Courtney Avery
Administrator
Illinois Health Facilities and Services Review Board

cc: Kathy J. Olson, Chairwoman

RE: Permit Renewal for Project #12-027 Good Samaritan Pontiac
Permit Holder: Good Samaritan Pontiac

Dear Ms. Tanahill:

On December 17, 2013 the Illinois Health Facilities and Services Review Board/Chairman approved the permit holder's request for a permit renewal for the above-referenced project. Therefore, the permit for this project has been renewed until January 23, 2017.

Should the permit holder determine that it will be unable to complete the project by January 23, 2017, the permit holder may request another renewal of the permit. 77 IAC 1130.740 provides that the State Agency must be in receipt of a permit renewal request AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

Courtney Avery
