Re: Permit #12-027 – Good Samaritan Pontiac-Formal Request for Information

Dear Mr. Hiatt:

This is a formal request for information regarding the alteration for Permit #12-027. The Illinois Health Facilities Planning Act (20 ILCS 3960/14.1) states *“that the Illinois Health Facilities and Services Review Board may revoke a permit or take other action as the State Board deems appropriate, including the imposition of fines for failure, by any person subject to this Act, to provide information requested by the State Board or Agency within 30 days after a formal written request for the information.”*

We are formally requesting the alteration for Permit #12-027. To continue to proceed with Permit #12-027 before approval of the alteration by the Illinois Health Facilities and Services Review Board is a violation of the Illinois Health Facilities Planning Act.

Should you have any questions or concerns please call 217.782.3516 or contact Mike Constantino or George Roate by email at Mike.Constantino@Illinois.gov or George.Roate@illinois.gov.

Sincerely,

A handwritten signature in black ink that reads "Courtney Avery".
