Re: Request for Public Hearing
Red Bud Dialysis, Red Bud, IL
Project No. 12-034

Dear Chairman Galassie,

The Illinois Health Facilities and Services Review Board ("Board") has published a Notice for Opportunity for Public Hearing relating to the certificate of need permit application for Red Bud Dialysis facility (the "Application").

As Mayor of the City of Waterloo, I have some concerns towards the Red Bud Dialysis facility proposed in the Application and request that the Board conduct a public hearing for this Application.

Respectfully,
