To Whom It May Concern:

This letter is written in support for DaVita Dialysis Facility to be located west of Sparta, Illinois. Currently, the nearest provider is approximately 18 miles from Sparta making it difficult for some of our patients to travel to that location. It is also challenging many times to schedule a convenient appointment time with the number of patients needing that service and only one provider in the surrounding area. An additional facility would be able to accommodate more residents needing this vital treatment in the Randolph County and surrounding area.

Please accept this letter in support of Service and their continued ability to provide these essential services.

Sincerely,

Joann Emge,
Chief Executive Officer
