Re: Support of Project No. 12-036 - Healthcare Center at Monarch Landing

I am writing this letter to you in support of Naperville Senior Care, LLC and its proposed Healthcare Center at Monarch Landing. This project will provide quality housing that is in high demand by our growing senior population here in Du Page County, as well as offer significant stimulus for economic growth.

As I understand, your support is greatly needed to make this development possible. I urge you to work together with them on this project to successfully complete this development in a location that provides seniors with the opportunity to maintain their independence. It also creates new revenue for local government and creates new jobs for Du Page County residents. Additionally, this development provides its residents with important on-site healthcare services.

I strongly support the development of the Healthcare Center at Monarch Landing for this community and I encourage you to do the same. In sum, this project will provide much needed economic stimulus in a difficult economy as well as support an ever-growing segment of our population. I encourage your support of this project.

Sincerely,
