Re: Hawthorn Surgery Center (Proj. No. 12-041)

Dear Mr. Constantino:

Pursuant to Section 1130.770(c) of the Illinois Health Facilities and Services Review Board ("State Board") rules, I am writing on behalf of Surgical Care Affiliates, LLC and Hawthorn Place Outpatient Surgery Center, LP (the "Permit Holders") to notify the State Board of the completion of Project No. 12-041 on March 24, 2014. On September 11, 2012, the State Board approved the permit for discontinuation of a multi-specialty ambulatory surgical treatment center located at 1900 Hollister Drive, Libertyville, Illinois and the construction of a of a multi-specialty ambulatory surgical treatment center located Center Drive and Lakeview Parkway, Vernon Hills, Illinois. The permit provided for a project completion date of December 31, 2015. On March 24, 2014, the Illinois Department of Public Health issued an ambulatory surgical treatment center license for the new facility. The first cases were performed at the surgery center on March 26, 2014. We will submit a final cost report under separate cover once the project costs have been finalized.

If you have any questions regarding the status of the project, please feel free to contact me at 312-873-3606 or acooper@polsinelli.com.

Sincerely,

Anne M. Cooper
