**Re: The Admiral at the Lake Proj. No 12-048**

Dear Mr. Constantino and Ms. Kendrick:

Pursuant to Section 1130.770(c) of the Illinois Health Facilities and Services Review Board ("HFSRB") rules, I am writing on behalf of The Old People's Home of the City of Chicago and The Admiral at the Lake (the "Permit Holders") to notify the HFSRB of the completion of Project No. 12-048 on April 19, 2013. On July 23, 2012, the Illinois Health Facilities and Services Review Board approved the permit for the construction of a 36-bed long-term care facility located at 933 West Foster Avenue, Chicago, Illinois. The permit provided for a project completion date on June 30 2013. On April 19, 2013, the Illinois Department of Public Health issued a skilled nursing facility license for the new facility. We will submit a final cost report under separate cover once the project costs have been finalized.

If you have any questions regarding the status of the project, please feel free to contact me at 312-873-3606 or acooper@polsinelli.com.

Sincerely,

Anne M. Cooper
