**Re: Request for Public Hearing
Project #12-052, Tazewell County Dialysis, Pekin**

Dear Ms. Avery:

An opportunity to request a public hearing on the above certificate of need application has been posted by the Illinois Health Facilities and Services Review Board.

Fresenius Medical Care has not requested a public hearing on any project in the approximate 10 years that I have been a CON Specialist; however, we feel it necessary at this time to do so. In response to the posted opportunity, we respectfully request that the Board conduct a public hearing in regards to the proposed DaVita Tazewell County Dialysis facility to be located in Pekin.

Sincerely,

Lori Wright
Senior CON Specialist
