Re: Illinois Health Facilities Planning Act
PROJECT NUMBER: 12-054
FACILITY NAME: Genesis Medical Park Moline
APPLICANTS: Genesis Health System

Dear Ms. Montague:

On July 24, 2012 the Illinois Health Facilities and Services Review Board approved the annual adjustment to the capital expenditure minimum for hospitals. This adjustment increased the threshold from \$11,885,440 to \$12,182,576. Pursuant to those changes, the above referenced project is no longer subject to the Act.

You are also advised, however, that this change does not obviate the need to comply with any other applicable regulations or requirements of other programs or agencies such as those of licensure or certification.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
