Mr. Constatinto / Ms. Hills,

Please find attached a printout from the web site of the Health Facilities Board that clearly states the deadline for written comment on Fresenius Lockport is 11/30/12, as compared to 11/20/12 for US Renal Lemont. I believe that I have complied with your public notice.

Thanks,

Mr. Constantino / Ms. Hills,

Please find attached my letter of opposition to Fresenius Lockport - Project 12-055.

The Health Facilities and Services Review Board web site lists November 30, 2012 as the last date for submission of written comments, and I was surprised to find it on the agenda for December, along with a State Agency report. Please acknowledge receipt, and confirm delivery to the Board.

Thank you,
