Why did they spend millions on the Ultra State of the Art Kitchen, + a new generator when they are going to close the facility.

We have gathered over 10,000 signatures to show interest, but they go unnoticed.

To Whom It May Concern:

I am writing to voice my protest to the closing of the Singer Center in Rockford. This would be a very devastating disservice to the people who come there in desperate need of the help they need. The Center and its staff are providing excellent, compassionate care to their clients.

Sincerely,

Norma L. Shipton
