Blue Island, IL 60406-2428

Dear Dr. Beckmann:

We received your letter informing us of your hospital's plans to establish a 14-bed Acute Mental Illness category of service.

As you described in your letter, your plans are to serve geriatric patients requiring inpatient behavioral health services. Silver Cross Hospital does not anticipate that your proposed AMI unit will impact our current or future patient volumes.

Should you need any other information from us, please let me know.

Sincerely,

Ruth Colby
