Re: **Permit Approval**  
**PROJECT NUMBER:** 12-076  
**FACILITY NAME:** Chicago Surgical Clinic, Ltd.  
**APPLICANTS:** Chicago Surgical Clinic, Ltd.

Dear Mr. Reynesh:

On December 10, 2012, the Illinois Health Facilities and Services Review Board approved the application for permit for the referenced project based upon the project's substantial conformance with the applicable standards and criteria of 77 Ill Adm. Code 1110 and 1120. In arriving at a decision, the State Board considered the findings contained in the State Agency Report, the application material, public hearing testimony and documents, any testimony made before the State Board, and the Illinois Health Facilities Planning Act (20 ILCS 3960).

- **PROJECT:** #12-076 - **Chicago Surgical Clinic** - The permit holder is approved for the establishment of a multi-specialty ambulatory surgical treatment center located at 129 West Rand Road, Arlington Heights, Illinois in 7,700 gross square feet of space. The permit holder is approved to perform the following surgical specialties: obstetrics/gynecology, dermatology, gastroenterology, general/other, ophthalmology, oralmaxillofacial, plastic, pain management, podiatry, olaryngology, and urology. The operating entity licensee is Chicago Surgical Clinic, Ltd., and the owner of the site is Dr. Sam Akmakjian.
- **PERMIT HOLDER:** Chicago Surgical Clinic, Ltd, 129 West Rand Road, Arlington Heights, Illinois
- **CONDITION:** Once the multi-specialty ambulatory surgical treatment center is established, the permit holder must meet or exceed Chicago Surgical Clinic's historical payor mix of charity care, Medicaid and self-pay. The payor mix will be evaluated based on the permit holder's annual survey collected by the Board as required by statute. The permit holder must also obtain a permit from the Board prior to adding any additional Board-certified specialties to the facilities' practice.
- **PERMIT AMOUNT:** \$3,879,057
- **PROJECT OBLIGATED BY:** June 10, 2014

- **PROJECT COMPLETION DATE:** December 31, 2014

This permit is valid only for the defined construction or modification, site, amount and the named permit holder and **is not transferable or assignable**. In accordance with the Planning Act, the permit is valid until such time as the project has been completed, provided that all post permit requirements have been fulfilled, pursuant to the requirements of 77 Ill. Adm. Code 1130 and may result in an invalidation of the permit, sanctions, fines and/or State Board action to revoke the permit.

The permit holder is responsible for complying with the following requirements in order to maintain a valid permit. Failure to comply with the requirements may result in expiration of the permit or in State Board action to revoke the permit.

1. **OBLIGATION-PART 1130.720**

The project must be obligated **by the Project Obligation Date**, unless the permit holder obtains an "Extension of the Obligation Period" as provided in 77 Ill. Adm. Code 1130.730. Obligation is to be reported as part of the first annual progress report for permits requiring obligation within 12 months after issuance. For major construction projects which require obligation within 18 months after permit issuance, obligation must be reported as part of the second annual progress report. If project completion is required prior to the respective annual progress report referenced above, obligation must be reported as part of the notice of project completion. The reporting of obligation must reference a date certain when at least 33% of total funds assigned to project cost were expended or committed to be expended by signed contracts or other legal means.

2. **ANNUAL PROGRESS REPORT-PART 1130.760**

An annual progress report must be submitted to IDPH every 12-month from the permit issuance date until such time as the project is completed.

3. **PROJECT COMPLETION REQUIREMENTS-PART 1130.770**

The permit holder must submit a written notice of project completion as defined in Section 1130.140. Each permit holder shall notify IHFSRB within 30 days following the project completion date and provide supporting documentation within 90 days following the completion date and must contain the information required by Section 1130.770.

This permit does not exempt the project or permit holder from licensing and certification requirements, including approval of applicable architectural plans and specifications prior to construction.
