Dear Mr. Constantino:

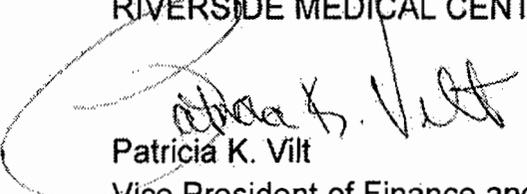

On February 5, 2013, Riverside Medical Center received an initial Intent to Deny from the Illinois Health Facilities and Services Review Board for our application for permit for Project Number 12-089.

Riverside Medical Center would like to reappear before the Review Board on this Project. On or before March 7, 2013, which is 30 calendar days following the issuance of the Intent to Deny, Riverside Medical Center will submit additional information in support of the Project.

If you should need additional information, please contact me via email at [patt-vilt@riversidehealthcare.net](mailto:patt-vilt@riversidehealthcare.net) or via telephone at (815) 935-7542.

Cordially yours,
