RE: Fresenius Medical Care Waterloo (No. 12-095)

Dear Mr. Constantino,

The Waterloo Chamber of Commerce offers our support for the proposed Fresenius Medical Care dialysis facility at 515-535 Hamacher Street in Waterloo.

The Chamber is committed to promoting our businesses and working with the city to continue to develop the community and promote its medical services. We have several assisted living facilities in Waterloo, with another facility opening next month. We feel that having a dialysis center based locally in Waterloo, the seat of Monroe County, would be a huge help to all of our residents, as well as those in rural locations, where traveling to St. Louis is a burden on them.

Fresenius Medical Care would be greatly welcomed by the Waterloo Chamber of Commerce. As our community continues to grow each year, this facility is a much needed step towards meeting the needs of our area.

I thank you for considering the proposal and I ask that you approve the dialysis facility.

Sincerely,

A handwritten signature in cursive script that reads "Jenny Bullock".
