RE: Permit Alteration: #12-098 Fresenius Medical Care Monmouth, Monmouth
Permit Holder(s): Fresenius Medical Care Monmouth, LLC
Fresenius Medical Care Holdings, Inc.

Dear Ms. Wright:

On November 20, 2013, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

- Decrease building size from 7,000 GSF to 5,463 GSF
- Decrease station complement from 12 to 9 stations
- Decrease in project cost from \$3,344,175 to \$2,719,944

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

Courtney R. Avery
Administrator

Illinois Health Facilities and Services Review Board
