RE: Permit Alteration: Project #13-005, SIH Cancer Center; Permit Holder: Southern Illinois Hospital Services – Southern Illinois HealthCare Enterprises, Inc.

Dear Mr. Schaefer:

On May 8, 2014, the Illinois Health Facilities and Services Review Board / Chairman approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holders are proposing to change to debt financing, lower the cash and securities and an increase in the project cost from \$24,566,620 to \$25,563,987.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Courtney Avery".
