Dear Ms. Avery:

This letter is being submitted as notice of project completion for the above-referenced project, which was granted a CON permit at the May 14, 2013 meeting of the Illinois Health Facilities and Services Review Board and an alteration on May 8, 2014.

The permit was granted for a total project cost of \$25,563,987.

The first patient was treated in the Cancer Center on March 2, 2015.
