Glenview Imaging Center

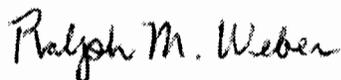

Dear Ms. Avery

The Northwestern Medical Faculty Foundation hereby withdraws Permit Application 13-006, in anticipation of the upcoming integration with Northwestern Memorial HealthCare.

Our intent is to refile the permit application in the near future, to reflect our new name and organizational structure.

We appreciate the work by staff of the HFSRB in the review of the current permit application, and look forward to completing the process later this year. If you have any questions, please contact me at 847-791-0830.

Sincerely
