RE: Permit Alteration: Project #13-008; Permit Holder: Fresenius Medical Care Holdings, Inc.

Dear Ms. Wright:

On October 30, 2013, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holders are proposing to decrease the permit amount from \$6,183,745 to \$5,760,853. The proposed alteration will also decrease the total GSF from 11,000 to 10,170 GSF.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".
