Re: Project #13-011, Presence Saint Joseph Hospital, Chicago, Project Obligation

Dear Ms. Avery:

Please accept this letter as verification of obligation of the above referenced project. The project was obligated through the signing of construction contracts that are more than 33% of the total project cost.

Please be assured that funding for the project is available and has been fully committed.

There have been no changes to the project since its approval by the Illinois Health Facilities Planning Board on May 14, 2013. The project's cost, scope, design, square footage and number of beds remain identical to the project as approved.

Please contact Shawn Albritton at 312-308-3937 (note new contact for Presence Health) with any questions regarding this project.

Best regards,

Roberta Luskin-Hawk, M.D.
