Re: Support for Good Shepherd Project #13-016

Dear Mr. Constantino:

I am supporting the modernization project for Good Shepherd - Project # 13-016. This project is very much needed to update the facilities at Good Shepherd.

Good Shepherd Hospital has demonstrated a commitment to meet the needs of the patients we serve. The community served by Good Shepherd has grown and aged over the last 30 years since the hospital was built. I am excited that the project will provide all private rooms. I also understand that the waiting area for surgery will also be improved.

I ask the Board to approve this application which will provide modernized facilities for Good Shepherd, its patients, and the community it serves.

Sincerely,

Nancy Trujillo, RN

Re: Supporting Good Shepherd CON #13 - 016

Dear Mr. Galassie,

I am a resident of Crystal Lake and wholeheartedly support and endorse the application by Good Shepherd for a modernized facility, # 13-016.

The move to all private rooms is really needed. Patients need quiet to recover, which is very difficult to achieve with semi private rooms. The move to all private rooms is very important.

I urge the Illinois Health Facilities and Services Review Board to approve this needed project.

Yours Truly,

Regarding : Support of Good Shepherd CON Project #13 - 016

Dear Mr. Gallasie,

I am writing to support the Good Shepherd hospital modernization project # 13-016

The hospital was constructed more than 20 yrs ago. The delivery of health care has changed so much since the hospital was built and the hospital needs to be updated to keep pace.

There is so much new technology and equipment that has advanced medical care over the past few decades since the Good Shepherd Hospital was built. Good Shepherd and the community it serves deserve an updated building to accommodate this new technology.

Please approve this critical project.

Yours truly,

Susan Hughes, RN

Re: Supporting Advocate Good Shepherd Hospital Certificate of Need application #13-016

Dear Ms. Avery:

I would like to provide my full support for the Good Shepherd CON application # 13-016. As a member of the community, I can tell you that this project will help Good Shepherd to continue to meet the needs of the community, providing privacy and confidentiality in single rooms.

I am excited about this project as cardiac pulmonary rehabilitation to be closer to the front of the hospital. Good Shepherd is recognized in the community as an asset and an excellent provider of high-quality care.

I recommend that the Board approve this project.

Yours,

There is so much new technology and equipment that has advanced medical care over the past few decades since the Good Shepherd Hospital was built. Good Shepherd provides excellent patient care and approval of this project will support the continued level of care.

Physical therapy facilities for inpatients needs to be improved. Currently inpatients needing physical therapy us the hallways, which poses safety challenges.

I recommend that the Board approve this project.

Re: Support for Good Shepherd Project #13 - 016

Dear Ms. Avery:

I am writing this letter to show my support of Good Shepherd Project # 13-016. This project is important for my family and community. The project will help patients as there will be all private rooms and the fourth floor will be updated.

I am excited about this project. The hospital was built several decades ago and is due for an updating. There have been many changes in health care and the facilities at Good Shepherd need to be updated to continue to provide excellent care to my family and to the community.

Please approve this project so that our community hospital can continue to provide high quality care.

Sincerely,
