HEALTH FACILITIES &
SERVICES REVIEW BOARD

May 5, 2013

Mr. Dale Galassie, Chairman
Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, 2nd floor
Springfield, IL 62761

Regarding: Support for Good Shepherd Project: #13 - 016

Dear Mr. Galassie,

I endorse the application by Good Shepherd Hospital project # 13-016 and encourage the Board to approve this important project.

Good Shepherd Hospital has shown its commitment over the years to the patients' needs. The modernization will not only help this commitment, but it will ensure that every patient receives high quality care for years to come.

Please consider the benefits of this project for our community and approve this application.

Yours truly,

Dennis Chiesa

Re: Supporting Good Shepherd CON application #13 - 016

Dear Mr. Galassie,

I am a resident of Crystal Lake and fully endorse the application by Good Shepherd for a modernized facility, # 13-016.

This project is important because it will provide updated facilities to continue to improve its high level of care. I am excited about the private rooms.

Please carefully consider all of the benefits of this project for our community and approve this project.

Yours Truly,

Linda Serafin

Re: Support for Advocate Good Shepherd CON Project #13-016

Dear Mr. Galassie,

I fully support the modernization project proposed by Good Shepherd Hospital. I am very proud of Good Shepherd Hospital. The care provided is exceptional.

Good Shepherd Hospital is an award winning hospital, providing top quality care. This project will greatly benefit many in our community. I am proud of the wonderful service and high quality care provided.

For this and so many more reasons, I strongly support the Good Shepherd Hospital modernization project. I urge the CON board approve the Advocate Good Shepherd CON application, project #13-016.

Sincerely,

A handwritten signature in black ink that reads "Linda Serafin". The signature is written in a cursive, flowing style.

Regarding: Support for Advocate Good Shepherd CON Project #13 - 016

Dear Ms. Avery:

I support the Advocate Good Shepherd Hospital application # 13-016 for an updated facility.

I understand that the hospital will provide all private rooms with this project. Private rooms are so important to control the spread of infection. I am concerned about spreading infection when sharing a room with another patients. Also, patients need quiet and calm. I also understand that the facilities being improved include a new surgery waiting area, which is truly needed.

I look forward to the new surgical area and the private rooms.

Yours truly,

A handwritten signature in cursive script that reads "Michele Davenport". The signature is written in black ink and is positioned above the printed name.

Dale Galassie
Chair
Illinois Health Facilities & Services Review Board
525 West Jefferson Street, 2nd floor
Springfield, Illinois 62761

Chairman Galassie:

I live near Good Shepherd Hospital and I'm thankful that there's a hospital like Good Shepherd that provides such great care. I understand they want to do a lot to their Barrington campus and that they need to go through an application process in order to start construction (project #13-016). The hospital was designed and built in the 1970s. Things have changed a lot since then including the way that patient care is provided. Through your approval, the hospital can make big changes to improve the care they provide.

Thank you,

A handwritten signature in black ink, appearing to read "Chr Young", written in a cursive style.

Regarding: SUPPORT for Advocate Good Shepherd Hospital Modernization Project, CON #13-016

Dear Chairman Galassie,

I am writing in support of CON Project # 13-016. As a citizen of western Lake County I believe we need to make the best possible use of existing health care facilities to provide excellent health care and to support growth in residential and commercial sectors of the economy. Modernizing an aging campus to bring it to standard for surgical services and creating private rooms, which are demonstrated to enhance patient safety and comfort, is demonstration of those concepts.

I strongly urge you to work with your board to approve Advocate Good Shepherd Hospital Modernization Project, CON #13-016.

Sincerely,

A handwritten signature in cursive script that reads "Bill Hogan". The signature is written in black ink and is positioned above the printed name.

Re: Support for Advocate Good Shepherd CON Project #13 - 016

Dear Mr. Galassie,

I fully support the modernization project proposed by Good Shepherd Hospital. The hospital is a fine community resource providing high-quality care. Also, patients need quiet and calm. The move to all private rooms will support the healing process.

I am excited that the project will provide all private rooms. As a patient, I would want a private room. The space for family members to support the patient and the limitation of spreading infection are all important to us.

For this and so many more reasons, I strongly support the Good Shepherd Hospital modernization project. I urge the CON board approve the Advocate Good Shepherd CON application, project #13-016.

Sincerely,

A handwritten signature in cursive script that reads "Janet Becker".
