Re: Support for Good Shepherd Project #13 - 016

Dear Mr. Galassie,

I am writing this letter to show my support of Good Shepherd Project # 13-016. This project is important for my family and community. My family members have been patients at Good Shepherd and can attest to the wonderful care.

In respect to the private patient rooms, I am a strong believer that patients need a private room in order to ensure they are getting all the privacy they deserve.

This project also includes chronic care clinic for diabetic patients and CHF patients. The need for support for chronic care patients is a strong need.

Please approve this project so that our community hospital can continue to provide high quality care in update to date facilities.

Sincerely,

Luis Bautista

Re: Good Shepherd Project #13 - 016

Dear Mr. Galassie,

I am writing in support of the CON application for the Good Shepherd Hospital modernization project. I have seen Good Shepherd's commitment to good patient care, helping the patients heal and recover. This project will provide Good Shepherd with the updated facilities necessary to continue this commitment.

Please approve the Advocate Good Shepherd application to modernize its facilities to better serve patients.

Sincerely yours
