To Whom It May Concern:

I am writing to express my support of the planned skilled nursing facility at Luther Oaks. Luther Oaks has a history of providing quality and compassionate care in its assisted living facility and is excited about expanding its range of care to include skilled nursing.

Luther Oaks' employees are a vital part of the local business community. The new skilled nursing facility will bring more jobs to the Bloomington-Normal area and will assure the continued economic viability of Luther Oaks.

A skilled nursing facility with predominately private rooms and private bathrooms is an asset to the community.

Completion of the skilled nursing facility allows existing Luther Oaks residents and the Bloomington-Normal community a full continuum of care.

Sincerely,
