RE: Application for Certificate of need for Alden of Evanston

Dear Mr. Galassie:

I am writing to express my support for Alden Estates of Evanston's proposal to convert the current forty-one sheltered car beds to skilled nursing beds. The conversion would allow for the opportunity to care for additional members of our community, as well as assist with the aging population currently residing at Alden.

Alden Estates of Evanston has been an integral part of our community for years.

Sincerely,

Rachel Hershinow
