RE: Application for Certificate of Need for Alden of Evanston,

Dear Mr. Galassie:

I am writing to express my support for Alden Estates of Evanston's remodel proposal to convert the current forty one sheltered care beds to skilled nursing beds. The conversion would allow for the opportunity to care for additional members of our community, as well as assist with the aging population currently residing at Alden.

Please give Alden's certificate of need application every consideration.

Sincerely,

Kurt Horvath
President
