RE: Permit Alteration: Project #13-040; Permit Holder: Fresenius Medical Care
Lemont

Dear Ms. Wright:

On March 10, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holders are proposing to decrease GSF from 9965 to 8732 GSF and reduce the project costs from \$4,735,282 to \$4,283,096.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Courtney Avery".

Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
