NorthPointe Multi-Specialty ASTC

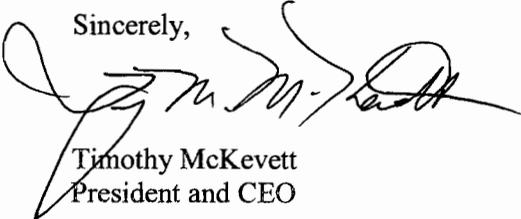

Dear Ms. Avery:

We are in receipt of your June 4, 2014 letter confirming the Illinois Health Facilities and Services Review Board's Intent-to-Deny determination for our application for permit. Please accept this letter as our official response to the Board's initial determination. We are evaluating our options, but do intend to provide additional information for the Board's consideration and to appear again before the Board in accordance with 77 IAC 1130.670.

We look forward to the opportunity to submit this additional information and to have it and the information we previously submitted on April 15, 2014 become part of the supplemental State Agency Report that the Board considers in making its decisions.

Please do not hesitate to contact me at 608-364-5685 or tmckevett@beloithealthsystem.org if you have any questions or require additional information.

Sincerely,

Timothy McKeve
President and CEO
