Re: Adventist La Grange Memorial Hospital
Permit No. 13-073

Dear Mr. Constantino:

This letter is to provide notice to the Illinois Health Facilities and Services Review Board that the final payment has been made with respect to Project No. 13-073. The project was reviewed by the Division of Life Safety and Construction and was approved on November 14, 2014 for occupancy.

We are preparing the supporting documentation required by Section 1130.770, which will allow you to determine that all of the requirements for project completion have been met. We will submit all of the required documentation before May 31, 2015, as required in the Notice Requirement letter dated December 23, 2014. This letter is simply a notification that we have been authorized to admit patients to the unit

Please contact me or Tom Williams (708-245-6069) if you have any questions regarding this project.

Sincerely,

Michael J. Goebel
