Re: Physician's Surgical Center, Belleville
Request for Deferral
Project No. 14-02

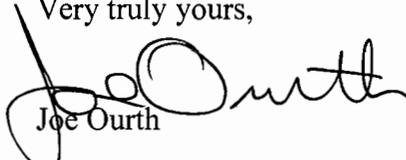

Dear Ms. Avery:

Physician's Surgical Center ("PSC") previously filed an application for permit to discontinue its ASTC in Belleville. PSC has since entered into negotiations to instead have a change of ownership of this facility. It is expected that an agreement will be finalized shortly and that the parties will file an application for a change of ownership exception. Once the agreement is finalized the expectation is that the application for discontinuation will be withdrawn.

We therefore respectfully request that the Review Board defer consideration of Project 14-02 from the June 3, 2014 meeting to a subsequently scheduled meeting.

We thank you and your staff for your work in reviewing the Project.

Very truly yours,

Joe Ourth
