RE: Permit Alteration: Project #14-006, Northwestern Lake Forest Hospital, Lake Forest; Permit Holder: Northwestern Lake Forest Hospital - Northwestern Memorial HealthCare

Dear Ms. Orth:

On April 21, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Increase the Total GSF from 483,508 to 499,605 GSF. Increase the Total project costs from \$377,986,895 to \$390,407,376.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".

Illinois Health Facilities and Services Review Board
