Pawn Thammarath, Administrator  
Neighbors Rehabilitation Center  
P.O. Box 55  
Byron, IL 61010

Dear Ms. Thammarath,

Please accept this letter of endorsement for Neighbors Rehabilitation Center. I strongly support the expansion and renovation project as a benefit to the Byron community.

The renovation and expansion of this center would help meet the needs of an expanding Byron population and ensure that healthcare services in the community remain a high priority. I am proud to say that the City of Byron has expanded considerably over the past few decades, and it is imperative that businesses continue to grow and adapt to meet the needs of the community. The addition of private rooms and renovation of the existing building will do just that, while allowing the potential for expanded healthcare services for the residents of Byron.

I thank the Neighbors Rehabilitation Center for the excellent services it provides to the City of Byron and wholeheartedly support its continued growth. Please let me know if I can be of further assistance in the future.

Regards,
