SERVICES REVIEW BOARD

Re: Notice of Project Financial Commitment, Project 14-021
Establishment of Comprehensive Physical Rehabilitation service
Northwest Community Hospital

Dear Ms. Avery:

In August, 2014, the Health Facilities and Services Review Board approved the establishment of a 17-bed inpatient Comprehensive Physical Rehabilitation service at Northwest Community Hospital (NCH) in Arlington Heights. The total approved project cost is \$3,040,000.

NCH has awarded a construction contract to Leopardo Construction in the amount of \$2,271,651. The contract was signed on March 27, 2015. This contract amount qualifies as sufficient to constitute permit obligation of the approved project, as stipulated in the requirements of Administrative Code 1130.720.

Project scope, size, number of beds and cost are consistent with the permit approved on August 27, 2014.

Please contact Ralph Weber, consultant for the project, at 847-791-0830 if you have any questions on the project.

Sincerely,

A handwritten signature in black ink that reads "Brad Buxton".

Brad Buxton
Vice President, Strategy & Business Development
Northwest Community Hospital
