Dear Ms. Olson:

I am a surgeon specializing in ophthalmology. I am writing in support of the relocation of Hinsdale Surgical Center approximately 0.25 miles southeast of its current location to 12 Salt Creek Lane, Hinsdale.

Over the past 12 months, I performed a total of 178 outpatient surgery cases at Hinsdale Surgical Center. Outpatient ophthalmology surgery cases will constitute the majority of my work in the future. With the planned relocation of Hinsdale Surgical Center, I expect to refer 178 cases to Hinsdale Surgical Center within 12 months after project completion. Projected patient volume shall come from the proposed geographic service area of the Hinsdale Surgical Center.

These referrals have not been used to support another pending or approved certificate of need application.

The information in this letter is true and correct to the best of my knowledge.

I support the proposed relocation of the Hinsdale Surgical Center.

Sincerely,

Sophia Sarkos, M.D.
