HEALTH FACILITIES &
SERVICES REVIEW BOARD

Ms. Courtney Avery
Administrator
Illinois Health Facilities and Services Review Board
525 W Jefferson St., 2nd Floor
Springfield, IL 62761

Dear Ms. Avery:

It is my understanding that St. Elizabeth's parent company is planning on building a new hospital in O'Fallon, IL. This news affords the opportunity for me and other coroners in this area to voice our support of the addition of a morgue to your facility. This morgue would provide much needed space and resources for examinations and autopsies to be performed.

I feel certain that the coroners in surrounding counties would agree that a new morgue would be of great help to them in many circumstances. Please consider this suggestion as a morgue would be of great value in our area of Southern Illinois.

Sincerely,

Randy W. Dudenbostel
Randolph County Coroner
