HEALTH FACILITIES &
SERVICES REVIEW BOARD

December 19, 2014

Ms. Courtney Avery
Administrator
IHFS: Review Board

Reference: Project #14-043

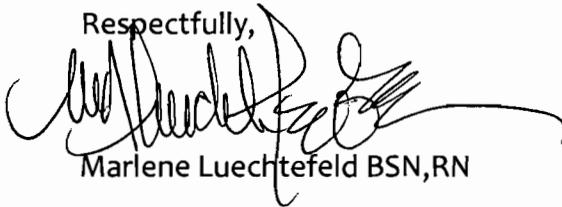

Members of Review Board,

I am **opposed** to the above project. I believe St. Elizabeth's departure from Belleville will place an unnecessary burden on Memorial. The ED at Memorial will not be able to accommodate the increased influx of patients thus creating higher risk for those patients left with only one Emergency Department in the city.

I feel St. Elizabeth's should build a new facility within the city thus allowing for greater access to care for those communities located to the south of Belleville.

I urge you to deny the CON for this project.

Respectfully,
