Mr. Michael S. Eesley
Chief Executive Officer
Centegra Health System
385 Millennium Drive
Crystal Lake, IL 60012

Dear Mr. Eesley,

We received your letter dated October 17, 2014 regarding your intention to file a Certificate of Need application to establish a Cardiac Catheterization Category of Service at Centegra Hospital- Huntley. It is our understanding that this new service is being proposed based on high utilization at Centegra Hospital-McHenry and patients from the Huntley service area currently being served at your McHenry facility.

After reviewing our patient origin of cardiac catheterization patients, we anticipate the proposed new service at your Huntley facility will not have a negative impact on our Cardiac Catheterization services.

Sincerely yours,

Larry M. Goldberg
