RE: Extension of Obligation for Project #14-056 - St. Anthony's Memorial Hospital,  
Effingham  
Permit Holder: St. Anthony's Memorial Hospital - Hospital Sisters Health System

Dear Ms. Rutherford:

On March 1, 2016 the Illinois Health Facilities and Services Review Board/Chairman approved the permit holder's request for a extension of the obligation for the above-referenced project. Your extension of the obligation is in compliance with 77 IAC 1130.730 – Extension of the Obligation. The permit obligation date for Permit# 14-0567 has been changed to June 10, 2017. **Failure to obligate the above permit within the required timeframe will result in the permit being null and void.**

The permit holder is reminded that the rules under which the application was approved, and the permit issued, may include limitations and assurances as to the ongoing performance of this project. Failure to comply with any ongoing performance requirements could invalidate the permit and expose the permit holder to any fines, penalties, or other sanctions provided by the Board's Act and Rules.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".

Kathy Olson, Board Chair  
Illinois Health Facilities and Services Review Board
