Alteration to Permit #14-062  
Sarah Bush Lincoln Cancer Center Project

Dear Ms Uphoff:

We have received your letter dated March 11, 2016 informing the State Board that the sources of funds for Permit #14-062 has been changed to reflect the use of cash instead of bond financing to fund Permit #14-062.

As you referenced in your letter all alterations are to be reported to the State Board before any alteration is executed. Some proposed alterations require State Board approval and some are prohibited. Proposed alterations that are not cited in rule require written notification to the State Board prior to execution of the alteration. Your notice has been accepted. Our files will be updated to reflect this change.

Thank you for your compliance with the Illinois Health Facilities Planning Act.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at [Mike.Constantino@illinois.gov](mailto:Mike.Constantino@illinois.gov) or [George.Roate@illinois.gov](mailto:George.Roate@illinois.gov) or 217.782.3516.
