Re: Addendum to Final Cost Report Submission  
Project: # 14-066, MacNeal Hospital

Dear Ms. Avery:

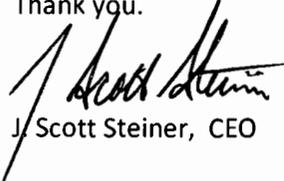

This is to confirm that with the implementation of the above project to establish a new Acute Rehabilitation Service at MacNeal Hospital that 12 Rehab beds were discontinued at our sister hospital, Westlake Hospital, and these 12 Rehab beds were added to our bed count.

Attached is the correspondence from Westlake Hospital and the IDPH confirmation on this discontinuation.

On our recent Annual Licensure Invoice we noted that the 12 Rehab beds were reflected, but wanted to ensure that this bed count change for both Hospitals was fully confirmed with your office.

Please let me know if any additional information is required.

Thank you.
