Re: Notice of Project Completion – Stony Creek Dialysis (Proj. No. 14-069)

Dear Mr. Constantino:

Pursuant to Section 1130.770(a)(5) of the Illinois Health Facilities and Services Review Board (“HFSRB”) rules, I am writing on behalf of DaVita HealthCare Partners Inc. and Renal Life Link, Inc. (the “Permit Holders”) to notify the HFSRB of the completion of Project No. 14-069 on January 11, 2016. On January 27, 2015, the HFSRB approved the permit for the relocation of Stony Creek Dialysis (the “Project”). The permit provided for a project completion date of June 30, 2016. The first treatment at the replacement facility occurred on January 11, 2016. We will submit a final cost report under separate cover once the project costs have been finalized.

If you have any questions regarding the status of the project, please feel free to contact me at 312-243-9286 x230 or timothy.tincknell@davita.com.

Sincerely,

Timothy V. Tincknell
