RE: PROJECT 15-003 VERMILION COUNTY DIALYSIS

Dear Review Board Members:

My name is Phillip Griesheimer. I oppose the application by Vermilion County Dialysis to build another dialysis facility in Danville. I understand that Danville Dialysis Services has room for additional patients and that a new facility in town is not needed. Worse yet, the new facility may put Danville Dialysis Services out of business. I encourage you to deny the application.

Sincerely,

A handwritten signature in cursive script that reads "Phillip Griesheimer". The signature is written in black ink and is positioned below the typed name in the letter.
