Re: Project Number: #15-0 09
Facility Name: Touchette Regional Hospital
Project Description: Discontinue 8 bed Pediatric category of service
Permit Amount: \$0.00
Permit Conditions: None
Project Obligation Date: June 2, 2015
Project Completion Date: June 2, 2015
Annual Progress Report Due Date: June 2, 2015

Ms. Avery,

This is our notice of project completion as of June 2, 2015 and "final cost report" for the above referenced permits. This project was a discontinuation of pediatric bed category, and there were not any costs associated with it. The pediatric beds were discontinued effectively on the day of the permit issuance (June 2, 2015).

There were no patients on the unit as of the day of the discontinuation. Therefore, the hospital considers the project as referenced above complete as of this time.

Please feel free to contact me or Ms. Clare Ranalli, our legal counsel, at 312-984-3365 with any questions or concerns.

Thank you for your help in resolving this matter.

Sincerely,

Tom Mikkelsen, M.D., COO
