**HEALTH FACILITIES &
SERVICES REVIEW BOARD**

Dear Ms. Avery:

Fresenius Medical Care recently submitted a request for a CON to change the ownership of its McLean County clinic. The clinic is currently owned and operated by Dialysis Centers of America-Illinois, Inc. and Fresenius Medical Care Holdings, Inc. is its ultimate parent (entity with final control). Fresenius would like to change ownership of the clinic to Fresenius Medical Care Normal, LLC which has the same parent. This is an internal change of ownership among Fresenius related companies, and there is no cost associated with it. The application should meet all HFSRB criteria.

We would respectfully ask that the application be expedited, and if it is allowed under the Health Facilities And Services Review Board rules would support the Chair approving the application and submitting it to the HFSRB at its April meeting.

Thank you for your consideration.

Very truly yours,

Clare Connor Ranalli
